Product introduction

Including HR ,CR, GI ,GL, PPGI, PPGL steel ,
Aluminum steel , Tin steel, Stainless steel
strips, coils, flats, and roofing sheets

Galvanized steel

Material	Cold-rolled or hot-rolled steel sheets coated with zinc
Thickness	0.12mm - 4.0mm or more
Width	600mm - 1500mm or more
Coating Weight	G30, G60, G90, and others (measured in oz/ft ² or g/m ²)
Surface Finish	Regular spangle, minimized spangle, zero spangle, etc.
Coil Weight	Typically ranging from hundreds of kilograms to several tons
Steel Grade	Varies based on application and requirements

Prepainted Galvanized/Galvalume steel

Product Name	PPGI, Prepainted Galvanized Steel Coil
Technical Standard	ASTM DIN GB JIS3312
Grade	SGCC SGCD or customer's requirement
Type	Commercial Quality/DQ
Thickness	0.13-2.0mm
Width	600-1500mm
Zinc Coating	40-275 g/m ²
Color	all RAL Colors, or According to Customers Require/Sample
Top Side	Primer paint+polyester paint coating
Back side	Primer epoxy
Coil Weight	3-8 tons per coil
Package	Standard export package or customized
Hardness	>=F
T Bend	>=3T
Reverse Impact	>=9J
Salt Spray	>=500 hours

Galvalume/Aluzinc steel

NO.01

Galvalume steel coil

NO.02

Galvalume steel strip

Aluminum Steel

Product	3003 Aluminum Plate
Grade	1000 Series,2000 Series,3000 Series,5000 Series,6000 Series,7000 Series,etc.
Standard	GB/T3190-2008,GB/T3880-2006,ASTM B209,JIS H4000-2006,etc
Surface	Mill, Embossed, Checkered, Bright, Polished, Brush, Sand Blast, etc.
Thickness	Cold rolled:0.15mm-10mm Hot rolled: 3.0mm-180mm
Size	1000x2000mm, 1220x2440mm, 1250x2500mm 1500x3000mm, 1500x6000mm, 2000x6000mm Customzied
Packing	In standard export package, wooden pallets or as required
Delivery Time	Ready stocks 3-7 days, customized 7-10 days for customized size

产品优势

Product advantages

Competitive Pricing

Utilizing scale advantages to reduce production costs and promote the healthy development of enterprises

Stable Quality Standards

Monitor, measure, and test all production equipment every week to ensure stable production quality.

Fast Delivery Time

Stable delivery time, fast delivery speed, short production cycle, supporting customer development.

After-sales Service

Rapid after-sales processing, with a complete after-sales team for negotiation and negotiation

The background is a photograph of a large industrial facility, likely a steel mill or warehouse. In the foreground, there are several large, cylindrical coils of metal, possibly steel, stacked on wooden pallets. In the background, a crane with yellow pulleys is visible, hanging from a high ceiling with a complex network of steel beams and lights. The overall scene is brightly lit, with a clean and organized appearance.
